

PRODUCT INFORMATION

Step 1 ARDEX P51 Primer

- Prevents air bubbles rising from the sub-floor when finishing
- Primer, bonding agent and water-inhibiting pore closer
- Safe primer with a wide application range
- Solvent-free

Step 2 ARDEX CL 5 Self-leveling Compound

- Easy application - add water and mix
- Early strength - Walkable in 6 hours
- For thickness from 2 - 10 mm
- Received compatibly - suitable for all adhesives and floor coverings

Step 3 ARDEX R 2 TE Epoxy Primer

- Excellent workability
- Excellent bonding strength
- 100% solid content, no evaporation, odourless
- Excellent physical strength for abrasive and heavy loading

Step 4 ARDEX R 30 TE Epoxy Coating

- Low odour, cost effective floor maintenance coating
- Improves durability of concrete surfaces
- Available in a range of colours

PROJECT REFERENCE

Project : The Wave
Location : Kwun Tong, Hong Kong
Applicator : Kingsley Specialist Eng. Ltd.
Area : 6,000m²

Project : Prologis Warehouse (DHL)
Location : Jiaxing, China
Applicator : GSE Group, China
Area : 26,000m²

TECHNICAL AND SPECIFICATION SUPPORT

Our industry, like any other, requires on-going training to keep up with the changes in legislation/standards and materials (tiles, concrete, substrates etc). ARDEX offers training for both the applicators as well as specifiers.

If you need any support on the application or specification of the ARDEX flooring systems, please contact us by the below means.

PREMIUM PERFORMANCE

LIGHT INDUSTRIAL FLOORING SYSTEM

ABOUT ARDEX FLOORING SYSTEMS

ARDEX flooring systems have been developed for a wide range of markets with regard to chemical resistance, mechanical & traffic concern, temperature, rapid hardening, slip resistance and etc. Our global flooring team is committed to match the right products with the right installation methods to minimize the time, cost and risk at every job site.

COPING WITH INDUSTRIAL FLOOR

GUARANTEED LONG-LASTING SATISFACTION

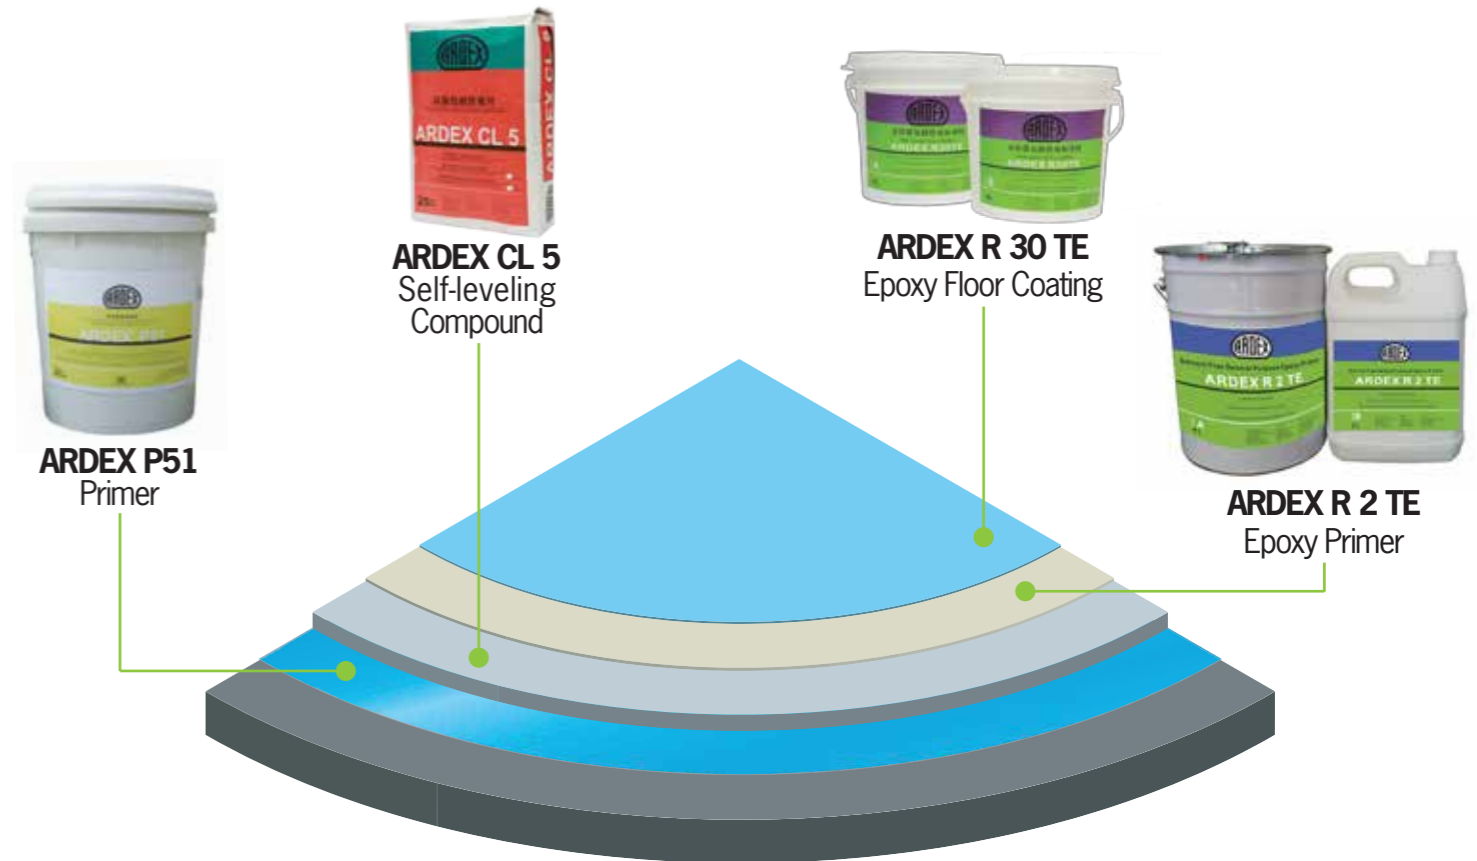

The Light Industries Flooring System is an epoxy self-leveling / coating system which offers you superior values and stunning appearance.

Benefits of the system:

- Easy to clean thanks to the non porous surface.
- Stunning aesthetic surface
- High durability
- Great chemical and wear resistance

THE SYSTEM COMPONENTS

TRULY RELIABLE INDUSTRIAL FLOOR SYSTEM

Easy to clean

Durable

Cost effective

Low odour
